Start with an energy base, then add available flavors, fruit, or cream.

*Custom energy*

## Good to Know

**Sizes:** Kids 12 oz · Small 16 oz · Medium 24 oz · Large 32 oz · X-Large 44 oz. Not every drink comes in every size, and availability varies by store.

**Prices:** Swig does not publish one national price list — prices are set by each store and change with size and add-ins like extra flavors, fruit and cream. See the prices guide at swigmenuguide.com/swig-prices/ for current price checks.

**Ordering:** Pick a drink type, a size, and a flavor direction — or name any signature drink in this menu. Seasonal items rotate during the year.

**About this guide:** This is an independent, fan-maintained menu guide. It is not published by Swig and is not affiliated with or endorsed by Swig. Items and ingredients were checked against the official menu at swig.com on October 22, 2026. Swig's own website is the final word on its current menu.
